Zoom

The Zoom range of batteries has been uniquely designed for the new generation two-wheelers, with complete attention to detail. These batteries conform to the latest Japanese Standard of JISD 5302. Loaded with cutting-edge features, Zoom batteries meet the arduous condition of two-wheeler riding in India.

- High impact resistant, rugged polypropylene containers with additional reinforcement protects against shocks and bumps to deliver maximum power
- High starting performance and reliability ensures trouble-free service
- Heat-sealed, bonded unit fabrication protects against seepage and corrosion
- Special separator (synthetic pulp bonded with glass mat) with low resistance prevents active material shedding and vibration, giving the battery an enhanced service life
- Very resilient due to exclusive robust design
- Custom built for deep discharge applications and best suited to handle cranking in motorcycles and scooters
